

WALLS CONSTRUCTION ENVIRONMENTAL POLICY

Our Business and Core Principles

Walls Construction Ltd. was incorporated in 1950 and is one of the most successful and respected companies in the Irish construction industry. We are committed to environmental sustainability and the prevention of pollution by carrying out all works on our sites, yards and offices in an environmentally responsible manner and acting as a “good neighbour”.

Our Staff

Our activities are managed by experienced and trained personnel, who work together and receive management support to meet our stated environmental objectives and to comply with legal and environmental requirements. All persons working for and on behalf of Walls Construction Ltd have a responsibility to comply with the requirements of this policy.

Management of the Environment

In order to manage our environmental performance we have implemented an Environmental Management System in accordance with the requirements of ISO 14001:2004 and it aims to achieve the following objectives;

- Implement systems and procedures to facilitate continual improvement.
- Comply with relevant environmental legal and regulatory requirements as well as company policies and client requirements.
- Manage our activities with diligence and with the awareness that our goal is to protect the environment and prevent pollution.
- Evaluate the environmental aspects of our activities and minimise where possible, the resulting environmental impacts.
- Foster openness, dialogue and facilitate communication regarding our environmental performance and our environmental objectives and targets.
- Ensure that our management team and persons working for and on behalf of the company are fully aware of their environmental responsibilities through the provision of training and support.
- Focus on our primary environmental goals,
 - Protection of the environment.
 - Control of contractors.
 - Environmental monitoring & measurement.
- Measure our environmental performance and level of compliance by conducting self monitoring, regular audits, inspections and reviews.
- Publish our Environmental Policy internally and post it on our website for public information.
- Ensure that this policy is understood, implemented and maintained by all persons working for and on behalf of Walls Construction Ltd.
